McManus Announces Grand Opening of Cadillac District Office

(LANSING) – Residents of the 35th Senate District will soon have an additional opportunity to share their concerns and opinions of state government with the office of Senator Michelle McManus, R-Lake Leelanau, thanks to the opening of her new district office in Cadillac.

“The opening of this district office is a helpful way for residents to bring their concerns directly to my attention without having to travel to Lansing,” McManus said. “I believe one of the most important aspects of being a legislator is to have an open line of communication with your constituency, and I am confident that by opening this office I will be able to more productively serve my district from a local standpoint.”

The grand opening of Senator McManus’ Cadillac office will take place at 2:00 p.m., Friday June 13 at 111 N. Mitchell St., in Cadillac. Residents with questions may contact Senator McManus’ toll-free number at (866) 305-2135. Residents will be also able to contact the office locally at (231) 775-8599.

Light refreshments and information will be on-hand for the opening.
